

10.9.10.4.1 (.b) The removed tire/wheel must not roll uncontrolled into an adjacent Competitor's pit box.

The green shaded part of the adjacent pit boxes shows where NO penalty would be incurred as a result of a tire rolling (except in the case of rule 10.9.10.4.1 (.d))

* 10.9.10.4.1 (.d) Any crew member and/or tire(s)/wheel(s) interfering with another crew's pit stop, causing the other team to incur a penalty or not, may incur a penalty.

10.9.10.4.1 (.a) Crew members must remove tire(s)/wheel(s) from the outside half of their assigned pit box in a controlled manner before the vehicle exits the pit box.
